PROGRAM HIGHLIGHTS

The NJHA Registry Management Program is an initiative to help New Jersey healthcare organizations obtain vital travel healthcare personnel without the cumbersome administrative issues normally associated with securing staff from outside agencies. The goal of this innovative program is to assure staff availability and quality, as cost-effectively as possible.

The NJHA Registry Management Program has been modeled after highly successful registry management programs in five states. As healthcare organizations continue to confront the challenge of obtaining quality supplemental staff, this program will bring greater ease, enhanced staffing resources and dramatic savings.

PROGRAM GOALS

- Increase access to supplemental staffing
- Foster high quality patient care
- Utilize the volume of staffing needs to obtain reasonable rates and specialty rates
- Implement standardized quality control measures
- Simplify and streamline the staffing process through the NJHA Web-based program
- Enhance agency commitment to customer needs
- Ensure compliance with JCAHO, CMS and NJDHS

PROGRAM FEATURES

- Reasonable rates due to combined demand for services of participating healthcare organizations
- Standardized contract that promotes uniformity and ease of use
- Streamlined Web-based placement process and monthly usage reports
- Imbedded quality controls managed by NJHA that include agency audits and site visits
- Dedicated NJHA staff resource
- No participation fees for NJHA members

BENEFITS FOR PARTICIPATING ORGANIZATIONS

- Increase vital staffing resources
- Save valuable time and resources by eliminating individual hospital responsibility for contract negotiations
- Achieve reasonable savings
- Decrease agency solicitors calling your facility
- Obtain accurate and complete paperwork prior to assignment placement
- Gain peace of mind by eliminating the need to conduct individual agency audits
